

Roof Raking Form at Hampton Meadows

I, _____ (Unit owners name), hereby give permission to LandPro Property Care Services to allow access onto my roof at unit ____ during the 2011-2012 winter season to perform Roof Raking services. I/We have elected to choose from the following choices to have the roof raking service performed on my home. You may select more than one option so place an X next to each option you want. If you request work for a stated period of time (i.e. one week, one month), please state that information here. I would like the work performed from _____ to _____ only (please fill in specific dates to be performed, (i.e. month of January, Nov.-Mar, etc.)

Option 1: Remove all ice and snow two (2) to three (3) feet up from gutter areas plus clear gutters and valleys on the front roof lines only whenever the snow accumulates six (6) inches or more. This would include removing all ice and snow from 2 to 3 feet above the roof line on front side and also removal of the snow and ice from the driveway and front entrance when discarded from the roof. The cost would be \$45/hour/person. Place an X here if you want this selection: _____

Option 2: Remove all ice and snow two (2) to three (3) feet up from front gutter areas plus clear gutters and valleys on the backside roof lines only whenever snow accumulates six (6) inches or more. This would include removing all ice and snow from 2 to 3 feet above the roof line on back sides and also removal of the snow and ice from the rear deck areas when discarded from the roof. The cost would be \$45/hour/person. Place an X here if you want this selection: _____

Option 3: Remove all ice and snow from the entire front side of my roof which includes the valleys and gutters whenever snow and ice accumulates six (6) inches or more. This would include removing all ice and snow from the entire front side of my roof and also removal of the snow and ice from the driveway when discarded from the roof. The cost would be \$45/hour/per person.

Place an X here if you want this selection: _____

Option 4: Remove all ice and snow from the entire backside of my roof which includes the valleys and gutters whenever snow and ice accumulates six (6) inches or more. This would include removing all ice and snow from the entire rear side only on my roof and also removal of the snow and ice from the rear deck area when discarded from the roof. The cost would be \$45/hour/per person

Place an X here if you want this selection: _____

Option 5: Remove all ice and snow from both the entire front side (including valleys and gutters) and entire rear side of my roof whenever snow and ice accumulates six (6) inches or more. This would include removing all ice and snow completely from both sides and also removal of the snow and ice from the driveway and rear deck areas when discarded from the roof. The cost would be \$45/hour/per person.

Place an X here if you want this selection: _____

By providing Landpro Property Care Services permission onto your roof you hereby indemnify them of any damages that may be caused by removing the snow and ice from your roof or anything below other than if they were negligent in performing these services.

Signature of Unit Owner: _____

Date: _____
